## Conference Topics

Wind energy systems  
Renewable energy utilizations  
Energy-saving technology  
Energy storage technologies and devices  
Power and energy generation  
Energy transmission and distribution  
Power electronics  
Hybrid energy systems  
Storage technology  
Grid and off-grid issues

>> Please check the following link which you can find more topics: <https://www.pree.net/cfp.html>

## Important Dates

Submission Deadline: August 20, 2025  
Notification Deadline: September 10, 2025
